

The crisis in modern social psychology, and how to end it

Ian Parker

[This book was first published in 1989 by Routledge. ©1989 Ian Parker. The ISBN for the paperback was 0-415-01494-8 and for the hardback it was 0-415-01493-X. The page numbering has been marked in this web-text of the book by numbers in square brackets, so when you see a number appear you know that you are moving into that number page of the book (e.g., when you read [12] you know that the text to follow this was originally on page 12). The full reference for the book that you can still use for citations and quotes is: Parker, I. (1989) *The Crisis in Modern Social Psychology – and how to end it*. London: Routledge. You can access the different sections of the book now by clicking on the relevant headings in the Contents below.]
